ART CERTIFICATE PROGRAMS

at Jackson Community College

Have you thought about a
career in art, theatre or
video production? Jackson
Community College
is offering three new certificate
programs in these areas.

Let Jackson Community College
be your start toward a new future!
Certificate programs are designed to
be completed in a short time, usually
one year. They offer the flexibility of
education, experience for a career
and credits that can be applied
toward further study toward an
associate degree.
