Number of injuries related to a fire that resulted in treatment at a medical facility	None	None
Number of deaths related to a fire	None	None
The value of property damage caused by a fire	\$0	\$0

Campus View Fire Safety Systems

Campus View buildings are equipped with fire alarm systems, fire-rated doors, sprinkler systems and accessible fire extinguishers in compliance with NFPA code. Each housing facility conducts a minimum of two fire drills each academic year.

Any electrical equipment residents bring for use in Campus View must have an approved "UL" rating. Before using or purchasing items not listed below contact the director of residence life.

Campus View Policies related to Fire Safety

Electrical equipment approved for student use in bedrooms:

- Irons (equipped with an auto-shutoff feature),
- Small desk lights with a glass cover.
- Personal computers and accessories, clocks, coffee makers, microwaves (under .5 cubic feet), desk and window fans, non-halogen floor lamps, answering machines, portable hair dryers/curlers, radios, compact disc players, TVs, VCRs and DVDs. Refrigerators (must be smaller than 5 cubic feet and use less than 1.5 amps of electric current).

Electrical equipment approved for student use in kitchen:

- Toasters
- Popcorn Poppers
- George Foreman style grills

Appliances - Safe Use

Do not leave heat-producing appliances (i.e. curling irons, irons, etc.) unattended. Unplug them when not in use and allow them to cool before storing. Do not cover ventilation openings on TVs, stereos or radios. Appliances should be used only with proper extension cords. Unplug all appliances before leaving for vacations. Don't overload circuits by plugging too many appliances into one outlet or extension cord. If you need more outlets, we recommend that you purchase a multi-outlet strip with a circuit breaker (limit two multi-outlet strips per bedroom).

Prohibited Items

The following is a list of items the College has prohibited in Campus View because of the potential fire hazard.

- Live Holiday Trees
- Candles/Incense
- Dangerous materials such as gun powder, laboratory chemicals, acid, fire works, air guns, paintball, gasoline, oil, kerosene, propane, charcoal, turpentine and other combustibles are not permitted. Motorcycles and other fuel-driven engines may not be placed or operated anywhere inside the hall or the patios.
- Natural cut trees, branches or greens, other than potted plants, are prohibited in student suites/bedrooms.
- Mug warmer
- Wax/candle warmer
- Grills
- Space heaters
- Air conditioners
- Halogen lamps
- Hot plates
