## Skill Set Credential Financial Services

**Business, Management, Marketing &  
Technology Career Pathway**

### FINANCIAL SERVICES (14 credits)

This credential prepares students for work in the banking and financial services industries. Job opportunities could include introductory positions with banks (teller or customer service representative), trust offices, pension and retirement planning firms, personal financial planning groups and investment brokerage houses (clerk or customer service representative). Students acquire skills in customer relations and financial problem solving. Students learn about financial markets and economic issues.
