Jackson College Foundation Scholarships

Scholarship applications for the 2017-18 academic year will be accepted by the Jackson College Foundation from December 15, 2016 – February 17, 2017.

In order to make the online process proceed as smoothly as possible, students should have electronic copies (attachments) of the following documents when they start:

- Scholarship application essay;
- Confirmation page from Free Application for Federal Student Aid (FAFSA) that includes the student's estimated family contribution (EFC) amount;
- Letter of recommendation;
- * High school grade transcripts;
- * ACT and/or the SAT results displaying composite score if score is not included on grade transcripts;
- DD Form 214 for students who are a veteran, or a spouse, son or daughter of a veteran;
- Document providing proof student is a member of American 1 Credit Union if that is the case;
- Recent invoice from the Jackson Citizen Patriot if student resides in a household that subscribes to the newspaper.

Students can apply for scholarship aid by following these directions:

- Go to the Jackson College website at www.jccmi.edu;
- Enter "scholarships" in the search field and hit return;
- Click on the “Foundation Scholarships” button;
- Click on the “Apply for Foundation Scholarships” button;
- Click on the “Register” button to create an account;
- Get started!

Students also can proceed directly to step five above by going to the following link: https://jacksoncollege.awardspring.com.

Students can complete the four-step scholarship application process in one sitting or they can do it piecemeal when it is convenient for them.

The four sections in the scholarship application process have the following titles:

- Personal Information;
- Qualification Questions;
- Letter(s) of Recommendation Request;
- Attach Documents.

After completing the application, students can click on the “Submit Application” button and a list of scholarships for which they are eligible will appear. Students must complete the application before they will be allowed to click on the “Submit Application” button.
