Policy Summary: Minors in Housing

Housing services shall be administered in accordance with Jackson College's mission, vision, values and beliefs with a focus on student success. This policy provides clear expectations for guests of all persons residing in housing at Jackson College.

Scope

The policy applies to all residents of Campus View housing, including students and employees.

Policy Statement

Residents: No person under the age of 18 will be allowed to reside within on-campus housing, unless their parents sign a waiver acknowledging their minor will be living in housing with adults and the student turns 18 years of age within the semester in which they move in. CV4 Family Housing allows for minors (per fire code capacity) to live in the Tiny Homes.

Minors will be permitted to be alone in CV4 family housing at the discretion of the parent or legal guardian of the child considering the maturity level of the child and the time the minor will be left alone.

Guests: Residents are permitted to have guests under the age of 18 only during the hours of 8:00 a.m.–8:00 p.m. All guests under the age of 18 must have completed the permission form for minors in housing, including written permission from a parent or legal guardian. A parent, guardian or resident host must supervise all guests under the age of 18 at all times.
