**Policy Statement:**

Jackson College shall adopt and maintain a clear description of areas that violate Zero Tolerance and the process for identifying/informing students of violations. These expectations shall be reviewed and updated as needed. Expectations shall be communicated with students as part of mandatory orientation and accessible through the Jackson College website. Jackson College considers violations of Acts of Violence, Weapons on Campus, and Drugs (defined above) as violations of Zero Tolerance policy.

When violations of the Zero Tolerance Policy occur, students will be removed from Campus and/or Housing for a term determined by the Student Judicial Officer. The decision will be made by the Student Judicial Officer, after reviewing video and witness statements. When a student is found responsible for a Zero Tolerance offense, a judicial hearing is not held, and the determination of the Student Judicial Officer is not appealable.
