Policy Summary:

In order to participate in the Federal Student Aid (FSA) programs Jackson College (JC) must demonstrate continuing eligibility to participate for ongoing certification. JC must apply to and receive approval from the Department of Education (DOE) that it is eligible to participate.

Scope: The Program Participation Agreement (PPA) requires updating annually and must be recertified every six (6) years. The current PPA is scheduled to expire in 2021.

Policy Statement:

JC shall comply with DOE – FSA participation and eligibility guidelines. To be eligible JC shall maintain accreditation by a nationally recognized accrediting agency; and admit as a regular student only individuals with a high school diploma or its recognized equivalent, or individuals beyond the age of compulsory school attendance in the state where the institution is located.

Because a school’s eligibility does not necessarily extend to all its programs, JC shall ensure that a program is eligible before awarding FSA funds to students in that program. The school’s eligible non-degree programs and locations are specifically named on the Eligibility and Certification Approval Report (ECAR).

The College must report and wait for approval before disbursing funds when the following occur: (The number in parentheses refers to the number of the question on the PPA Application.)

1. A change in accrediting agency (notify the DOE, when you begin making any change that deals with your school’s institution-wide accreditation) (#15)

3. A change in institutional structure (#18)

8. A change in the type of ownership (#22);
9. A change in ownership (#24); and
10. Adding a location (#30)

*Note- for items #5 and #6 above, Leadership Council (LC) must approve any non-Gainful Employment programs created from this point forward.
