

Agribusiness – Certificate (AGBU.CERT)

The Agribusiness Certificate program prepares students to actively engage in agribusiness. This degree will provide students with the diverse skill set necessary to work competently within the various sectors of the agriculture-food industry, including agricultural production (plant or livestock), agribusiness and finance, sales management, and agricultural entrepreneurship.

This degree is designed for students who seek employment in agribusiness industries or those who are looking to adopt a skill set to enhance their own agricultural operations or own an agricultural-related enterprise upon graduation from Jackson College. This program of study is not intended for those seeking a four-year or advanced degree in agriculture, natural resources or the natural sciences. Those wishing to transfer to a four-year institution should pursue the Associate of Science degree, following the agriculture transfer program map.
