

1. Open Settings, -> Select **Wi-Fi**
2. Under Wi-Fi networks select "**JC-WiFi**"
3. Fill in the following fields:
 - a. EAP Method -> **PEAP**
 - b. Phase 2 authentication -> **MSCHAPV2**
 - c. CA Certificate -> No changes
 - d. Identity -> Your **JC Username**
 - e. Anonymous Identity -> No changes
 - f. Password -> Your **JC password**
4. Select "**Connect**". It should connect automatically in the future.
