

Dr. Brianne E. Mezo

Class of 2005

A Jackson native, Brianne graduated with honors with Western High School and earned her Associate of Applied Science from Jackson Community College in 2004-05, with the goal of becoming a meteorologist. After continuing her studies at Central Michigan University, she sought a career with more personable contact.

She earned her associate degree in dental hygiene from Kellogg Community College, where she served as vice president and president of the dental hygiene class. In 2010 she earned her bachelor's degree in dental hygiene from the University of Michigan and worked full-time as a dental hygienist.

She married in 2010 and built a blended family of 3 -- McKenna, Jaxen and Masen.

With the dream of becoming a dentist, Brianne completed necessary prerequisites at Spring Arbor University, then attended Michigan State University from 2013-'15, graduating with her master's degree in pharmacology and toxicology. She attended Indiana University from 2014-'18, uprooting her family and moving to Indianapolis. She graduated in 2018 with her Doctorate of Dental Surgery and headed back to Jackson.

She opened her own practice, Northwest Dental Excellence, from scratch in September 2018 and has immersed herself as a supporter of the Jackson community since. She served as clinical dentist with JC's dental hygiene program for a year.

She continues to grow personally and professionally through continuing education.

Her passion to provide comprehensive dentistry and help her patients discover the root problems to their oral health concerns is undeniable. She prides herself in developing her team, patients and self through positive experiences and treating others as if they were her family.

Quote:

"When you fail, you learn. When you learn, you grow. From growth and learning comes success. You define success."
