**HOUSING**

Our primary mission is to provide housing for students on campus and to support our residents to help them be successful students at Jackson College. Like many other campus offices, staff members are available to assist you with housing-related issues from a question about the application process to a conflict with a roommate. There are other campus offices and staff that can assist residential students with questions, concerns and issues such as academic advising, tutoring, financial aid, student ombudsman, etc. Housing staff can assist residents by making referrals to other campus offices or staff.

**Director of Housing**

The director of housing is a full-time, live-in administrator who provides leadership and supervision for all aspects of housing. The director serves on various committees across campus focused around student retention and success of Jackson College students, particularly residents in Campus View.
Students who want to meet with the director should schedule an appointment by e-mailing the director directly or calling their office. Scheduling a meeting in this manner ensures the student time on the director’s calendar and that they are available.

**Assistant Director of Housing (AD)**
The assistant director is a full-time, live-in administrator who assists the director of housing in the everyday processes and functioning of Campus View. The primary responsibilities of the AD are in the following areas: the application process, room and meal plan assignments, room and meal plan changes, resident assistant recruitment, selection, and training, and credit notifications. The AD serves in an on-call rotation for the purpose of crisis management at night and on weekends.

**Resident Coordinator (RC)**
The resident coordinator is a full-time, live-in staff member who oversees one or more residence halls and assists the director of housing and assistant director of housing in the processes, activities, training, and other aspects of the Campus View residential community. The resident coordinator of each building supervises the resident assistants in that building. In addition, the RC oversees front desk operations, health and safety inspections for their building, resident programming, educational outreach, and provide day-to-day assistance to Campus View residents. The RCs serve in an on-call rotation for the purpose of crisis management at night and on weekends.

**Resident Assistant (RA)**
Resident assistants are Jackson College students with leadership responsibilities within the residence halls. There are two RAs that live on each floor, and their primary role is to create and maintain an environment that promotes academic success along with personal growth and development of residents. They promote and assist in organizing programs and services, serve as an informational resource, enforce policies and procedures within the residence halls, and can assist with maintenance and service requests. RAs serve in an on-call capacity at night and on weekends.

**Desk Aides (DA)**
Desk aides are either Jackson College students employed by housing or a member of our Campus Safety & Security team. Their primary responsibility is to serve as a customer service and safety agent at one or more of the front desks within Campus View Housing. They are charged with creating and maintaining a safe environment within the building, which includes reporting concerns and managing guest registration. Additionally, desk aides are responsible for answering telephones and general questions, submitting work order requests, and managing desk operations. Residents interested in working as a desk aide are encouraged to contact the Jackson College Human Resources Office located in the George Potter Center.
ACADEMIC SUCCESS

Jackson College and our housing staff have a vested interest in your academic success and recognize that the transition to college and living on your own can be difficult. In order to partner in your academic success, we have implemented the policies below to ensure our residential students are taking advantage of the resources available.

Academic Honors Floor
For students seeking a rich academic community, one building will have a designated floor as an “Academic Honors Floor.” This will allow students seeking such an environment to live among others with similar goals. Primary criteria will be a score of 20 ACT for new students while maintaining a 3.0 grade point average (GPA) or higher as a Jackson College student. There will be special quiet hours and a designated study space for Academic Honors Floor residents. Quiet floors are also offered in each building.

Academic Housing Probation
Academic Housing Probation occurs when a student receives less than a 2.0 GPA in any semester. Any residents whose grade point average (GPA) is 2.0 or lower, but higher than a 1.0, will be automatically placed on probation for one semester. If a student fails to receive a semester GPA of a 2.0 or higher by the end of the probationary semester, he/she will no longer be eligible to live in Campus View Housing. If a student drops below a 1.0 GPA at any time, they will not be allowed to move into or remain in housing. Students will still be responsible for the housing balance if removed for GPA during the course of the contract; please see contract termination policy for further information. This is a non-appealable policy.

Credit Load
Students living in Campus View Housing must meet ongoing academic requirements including full-time enrollment and satisfactory academic progress. Per semester, residential students must maintain full-time enrollment of 12 credits for fall and winter semesters and/or 6 credits for spring/summer. Any student that does not maintain full-time enrollment will no longer be eligible to live in campus housing. Students may still be responsible for the housing balance, please see contract termination policy for further information. This is a non-appealable policy.
Credit Removal
If a Campus View resident falls below 12 credits during the course of the semester, he or she will be notified by the housing staff of their non-compliance with the requirements outlined in the housing and meal plan contract. Residents will be given 48 hours to get back into at least 12 credits before they will be issued a removal notice. Failure to comply with the removal notice and the dates outlined within will result in being removed and banned from Campus View Housing. This is a non-appealable policy.

AMENITIES

Computers
Computers are available for Jackson College Housing students in each building, Campus View 1, 2 & 3. There is also computer access available in the Jets Hangar (printing not provided and no printing at front desk), Atkinson Library, and other academic areas on campus. Residents are able to access the computer lab with their student ID card.

Philo Edu Television Streaming
All students have access to Philo Edu internet television, HBO Go, and HBO Max. An access code will be sent to your Jackson College e-mail address at the beginning of each semester for use with streaming devices (Roku, Apple TV, Consoles, etc). If you experience technical difficulties, please contact the Solution Center at 517.796.8639 or by e-mail JCSolutioncenter@jccmi.edu.

Wireless Internet
A wireless network is provided for use and is shared among all residents within Campus View Housing. Please be considerate of other residents trying to use the network. Large downloads or other bandwidth-intensive items will affect the performance and connectivity of others using the service. Although best effort has been made to make the wireless network compatible with all devices, we cannot guarantee this. The College does not support student-owned devices. Non-Jackson College wireless networks are not allowed within the complex as these will conflict with the performance and/or availability for others depending on the wireless service. It is recommended that firewalls, anti-virus, and anti-spyware products be utilized on personal computers. The College does enforce a Responsible Use Policy (which can be found at www.jccmi.edu/wp-content/uploads/1601.pdf) and the Digital Millennium Copyright Act (which can be found at www.copyright.gov/legislation/dmca.pdf) regarding downloading or sharing copyrighted movies and music. Disciplinary action is taken for reported violations.

Heat and Air Conditioning
Campus View 1 & 2 (CV 1 & 2)
The main temperature control for each suite is located in the living room and controls the entire suite, including bedrooms. Suitemates will need to reach an agreement regarding the temperature setting that stays no lower than 68 degrees for air/cooling and no higher than 72 degrees for heat. Suites that vary from these guidelines may cause damage to the facilities. The residents in each suite are responsible for the appropriate use of heating and cooling units and will be charged accordingly if repair or replacement is required due to negligent use. Temperature in each suite must be agreed upon by the residents in their suitemate agreement.
Campus View 3 (CV3)
Each bedroom has their own heating and air conditioning unit, which students can adjust to their comfort. Air conditioning shall not be set below 68 degrees and heat shall not be set higher than 72 degrees.

Mailbox and E-Mail Communication
Residents are expected to check their Jackson College e-mail and their Jackson College mailbox daily for important information that will be sent out by housing and other offices on campus. Important information may also be posted on residents’ doors, around the building, or put in residents’ mail boxes. See AD for a new key for your mailbox.

Mail Service
The U.S. Postal Service delivers all student mail to Shipping and Receiving in Campus Services. College staff distributes the mail that is delivered to the mailboxes during the business week.

Residents that receive packages larger than the mailbox will receive a package notice and can pick up their package by bringing their package slip and student ID to Campus Services.

Each resident is assigned a mailbox located in the Jets Hangar. Each student is assigned a mailbox number and issued a mailbox key at check-in. Failure to return the mailbox key at checkout will lead to a $30 replacement charge.

If a mailbox key replacement is needed, please see the assistant director of housing. Please have your mail directed as follows:

Resident mailboxes are operated under the guidelines provided by the U.S. Postal Service. Jackson College does not assume responsibility for loss or damage to items sent through the mail/USPS. Receiving or sending money through the mail is strongly discouraged; please note that Jackson College is not responsible for any lost funds.

**HOUSING AND MEAL PLAN CONTRACT**

**Contract**

Students are required to apply for housing and go through the appropriate application process, including the signing of a contract for a space and submitting the $300 security deposit prior to move-in. Students who are minors at the time of signing the contract are also required to have a parent or guardian sign the contract at the time of submission. Only students who will be 18 years of age by the end of the first semester are eligible to live in Campus View Housing.

Your housing and meal plan contract is not transferrable, which means you may not transfer your contract to any other individual or semester. Only the individual student who signs the contract is permitted to reside in the room/suite during the assigned semester. The contract is legally binding and you will be held responsible to the terms of the contract for the entire contract period. You are responsible, as is the College, for all items outlined in the contract.

The College is committed to providing students a safe living and learning environment; consequently, the College reserves the right to deny or terminate housing for any person whom the College feels may pose an unreasonable risk, would cause disruption to the community, or violates College rules or policies. The College reserves the right to deny, modify, or cancel housing contracts or assignments. Jackson College will hold any student who breaks their contract financially responsible for their contract. In addition, the student will be charged a $300 cancellation fee for any subsequent semester the student is contracted for.

**Meal Plans**

There are two meal plan options to choose from:

**Jet Package**: 200 total meals, plus $200 in Jet Fuel for the semester – cost $2,000 per semester.*

**Gold Package**: 100 total meals, plus $100 Jet Fuel for the semester – cost $1,180 per semester.*

*Prices subject to change

Jet Fuel points are a part of the meal plans. They are per semester and do not carry over. Jet Fuel points may only be used for food purchases at Jackson College’s Central Campus food service locations only: Robert Snyder Dining Commons located on the first floor of the George Potter Center; Wava Joe’s Coffee Bar located on the first floor of William Atkinson Hall, and Subway located in the Jets Hangar. Jet Fuel can be used to buy coffees, soups, pizza, subs, salads, bagels, assorted snacks and more!
Billing Dates
If a current resident fails to make payment arrangements by the billing date outlined in the established automated payment plan, they will be required to move out. New residents who fail to make payment by the payment date, before move-in, will not be allowed to move in and may have their contract terminated. Students will need to maintain an automated payment plan, by meeting all required payment due dates for each semester.

Collection of Payments
The resident agrees that if the College utilizes legal counsel, a collection or other agent to enforce this contract, the resident will pay the collection costs, attorney’s fees and court costs in obtaining payment amounts due under this agreement.

Contract Termination
Jackson College may terminate a resident’s housing contract and take possession of a student’s assigned space at any time for violation of any of the provisions herein or when it is in the interest of the community or College. The student’s housing contract will be cancelled if the student’s enrollment at Jackson College is terminated through withdrawal from the College, academic suspension, conduct removal, lack of payment, or administrative dismissal. If the contract is terminated, the student must vacate Campus View Housing within the timeline provided by College officials. The student’s security deposit will be forfeited unless written permission has been obtained from the director of housing or their designee, or the resident has a pending appeal.

Security Deposit
The security deposit for Campus View Housing at Jackson College is $300 and is due at the time that the student receives a room assignment and before the move in. The student will not be allowed to move into their assigned space if their deposit is not submitted. The deposit is refundable as long as the student does not incur any additional charges during their stay, does not have any damages to their room, has not incurred further fees, and complies with the guidelines listed for a proper checkout. Financial aid cannot be used to cover the security deposit. Deposits should be paid in full when a student received confirmation they have a space. Payments can be made to the cashier, located in Bert Walker Hall, or over the phone at 517.796.8420.
Payment of Housing Charges
Once a resident has been assigned a space, the housing fee will be charged to the student’s Jackson College account. Payment must be received by the payment dates outlined on their payment plan or the contract will be cancelled and the space will be reassigned. New residents with unpaid housing charges will not be permitted to move in until full payment has been made or an automated payment plan is in place. Residents may have their housing contract cancelled for failing to make required payments throughout the semester. Returning residents with outstanding payments will have their access revoked until payment has been made and/or have their housing contract cancelled.

Non-payment and/or cancellation of contract: Non-payment does not release the student from the financial obligations of the housing contract.

Payments: Can be made in person to the cashier in Business Services located in Bert Walker Hall or mailed to: Jackson College, ATTN: CASHIER, 2111 Emmons Road, Jackson, MI 49201 (please indicate that payment is for housing and include the student’s ID number). Jackson College accepts cash, check, money order and credit card payments for housing payments. For more details regarding payment options, contact the Jackson College Business Office at 517.796.8420 or visit www.jccmi.edu/financial-aid/payment-options/.

Damage to Residence Hall
Should a residence hall be destroyed or damaged sufficiently to prevent the use of the facility, in the event of a public emergency or other unforeseen occurrences beyond the control of the College which result in residents being displaced, the housing contract may be immediately terminated. In this event the resident is responsible for charges up to the date of termination. The College shall not be liable for any expenses, damages or loss which you incur for relocation or inconvenience as a result of such termination. We encourage residents to purchase renter’s insurance as a protection for personal belongings.

SAFETY & SECURITY
Your safety is our number one priority! Jackson College is committed to the safety and security of its students and visitors. Armed security is present on campus 24 hours a day and can be reached by: calling 517.796.8620, alerting the front desk aide, or by activating a “blue light” which can be found across campus.

If you wish to report a crime, are a victim of a crime, or would like to get information about campus crime statistics please visit the Campus Safety and Security website: www.jccmi.edu/campus-security-safety/. To submit an anonymous tip via text message, text JACKSONC and your tip to 847411; you can also download the app onto your smartphone (Jackson College Tips). Doors/Locks/Theft
While Jackson College provides safety measures to protect the welfare of all residents, we cannot be held responsible for loss of personal property. Residents are encouraged to take the proper precautions to protect themselves. Jackson College is not responsible for lost, stolen,
or damaged personal items. Residents should not leave their suite or bedroom door open or unlocked if they are not present in the room. Propping the door open with the deadbolt can damage the locking mechanism and is prohibited. Additional locks (keyed locks, chain locks, deadbolts) may not be installed. Residents should use their own portable safes or lockboxes to keep valuables safe. Upon request from a housing official, key cards can be replaced for a fee of $25.

Fire Alarms
Anytime an alarm sounds in a Campus View building, all occupants within the hall are required to evacuate the building immediately. All individuals coming from CV1 are directed to the fifth full set of parking spaces (second set of lights) in the parking lot west of CV1. All individuals coming from CV2 are directed to the fifth full set of parking spaces (second set of lights) in the parking lot south of CV2. CV3 residents are to go across the street and to the third set of lights along the sidewalk. Students must stay in their given areas until the building is given an all-clear to be re-opened and residents allowed to re-enter. Re-entry into a building before an “all-clear” signal is given by security staff is prohibited. State law prohibits the use of elevators during a fire alarm. Students that fail to comply with this will be documented by staff and can be issued state and/or local fines and tickets from police. If you see fire please pull the fire alarms as you evacuate the building. The alarm will automatically alert the proper authorities. Falsely pulling a fire alarm can result in judicial sanctions or fines. Tampering with building fire detection systems is a violation of this handbook and grounds for discipline up to and including removal from the building. Michigan law states that falsely pulling a fire alarm is a misdemeanor punishable by up to one year in jail and up to $1,000 fine (MCL 750.240).

Student ID Cards
Each resident is issued a unique student ID card upon move-in that provides access to their building, suite, and bedroom and is used to access the student’s meal plan. It is important that each student maintains possession of their Student ID card at all times while on College property. Jackson College officials may request to see a student ID card at any time. Refusal to provide your student ID card to a college official is a violation of the student code of conduct and can result in judicial sanctions.

Unauthorized possession, duplication, or use of keys or your Jackson College student ID is prohibited. Student ID cards are only to be used by the individual they were issued
If you lose your key, immediately inform a housing staff member, or the desk aide at your building’s front desk so that your room can be secured and your old key deactivated. Keys needing to be replaced will result in a replacement ID being made and the student will be responsible for associated costs. Additional locks (keyed locks, chain locks, deadbolts) may not be installed. Residents may use their own portable safes or lockboxes to keep valuables safe.

**DAMAGED, STOLEN OR LOST ID CARDS:** You are responsible for your Jackson College ID card. If your card is damaged, lost, or stolen, it is your responsibility to contact the Housing Office at JCHousing@jccmi.edu or the desk aide immediately. Jackson College is not responsible for any unauthorized transactions, loss of money, or meal plan credits. Lost or damaged ID cards can be replaced by submitting a new key request with the front desk worker. There is a fee associated with each replacement card that will be billed directly to your student account, except in the case of general wear. Replacement IDs will be available within two business days from the time of the request.

**HOUSING PROCEDURES**

**Abandoned Property During Semester**
Any personal property left behind at the end of your contract without prior approval will be deemed abandoned property. Abandoned property will be inventoried and stored at a cost of $50 plus $5 per day charged to your security deposit and student account. You will be notified via your Jackson College e-mail address of any items tagged and stored. From the date of notification you will have 21 days to pick up your belongings, or arrange a meeting with the director of housing. Belongings will be disposed of if not retrieved within that timeline.

**Abandoned Space**
If a resident fails to return from a break or is found to be absent from the residence hall for a period of 21 days, without prior notification to the director of housing, the space may be deemed “abandoned” and the College may terminate the resident’s contract. Any items left in the resident’s space may be disposed of. The College will follow normal protocols for housing contract status and required payments as described in the student’s payment plan with the College.

**New Student Move-In: Fall Semester**
Students are notified by their Jackson College e-mail account over the summer of move-in dates and times as well as specific room placement. All residents are required to participate in student move-in and housing orientation.

**New Student Move-In: Winter Semester**
Residents will be notified of their housing assignments via their Jackson College e-mail account as they are assigned. All residents are required to participate in student move-in and housing orientation. All students must vacate their space at the end of the winter semester.
Move-In: Summer/Spring Semester
Residents will be notified of their housing assignments via their Jackson College e-mail account as they are assigned based upon the receipt of the completed housing application and availability. Students new to housing will be assigned a move-in date and contacted by the assistant director of housing and/or their designee.

Residents living on campus during the spring semester may be required to move to a different room, suite or hall in order to complete building maintenance or to utilize the facility for summer functions. The housing staff thanks you in advance for your patience and cooperation.

Early Move In/Late Stay
There are special circumstances that require campus housing residents to move in prior to or stay longer than the contract listed dates. To obtain information about this option contact the Housing Office at JChousing@jccmi.edu. Charges may be assessed.

Room Consolidation
Housing reserves the right to change or cancel a room assignment in the interest of order, health, safety, or behavioral issues. The right of final assignment lies with the director of housing. Housing also reserves the right to fill vacancies in rooms and to require the residents to move to another room to allow for optimum utilization of space or to resolve situations regarding interpersonal conflicts at any time.

Housing Closures
Campus View Housing is closed during breaks; during these times, students are expected to vacate their space including rooms and suites per their contracts. These breaks can be found on the Jackson College academic calendar and on the housing website. Students should make arrangements in advance for being off campus during these time frames.

Break Housing
If a student will need housing over the semester breaks, they must seek approval and arrange with the director of housing prior to being assigned a space for the upcoming semester. Contracts and associated fees for break housing must be submitted in full prior to move-in for the semester. Even if a student is not staying for an entire break period, they still must pay for the entire break. Housing opening and closing dates can be found on the Campus View Housing
website. Break housing is not guaranteed and only one building will remain open during breaks. International students will be automatically assigned break housing for all breaks.

**Fees associated with break housing for the 2017-2018 academic year are as follows:**
- Thanksgiving Break – $120
- Winter Break – $350
- Spring Break – $120

### End of Semester Move-Out

Based on the selected contract term, residents must vacate the residence hall within 24 hours of their last exam. Residents must sign up for a suite/room check-out with a housing staff member. Failure to follow protocol will result in forfeiture of any refundable deposits and could result in assessment of additional fees. Additional information about move-out procedures and protocols will be provided during the semester by orientation, e-mail, floor meetings and postings. Students are required to take their vehicle with them upon leaving campus Vehicles not removed one week after move-out will be towed off of Jackson College property unless prior arrangements have been made with Campus Security.

### Check-Out Policy

The check-out process is required upon departing Campus View Housing and is required for a student to be eligible to receive their security deposit. The following check-out criteria must be met:

1. The student must contact the director of housing or their resident coordinator prior to their departure and schedule a time for check-out with a housing staff member.

2. The student must remove all of their belongings, clean their space, and return all furniture back to its original location prior to check-out.

3. The student must appear at the scheduled time to meet with a housing staff member to complete the proper check out process. A room condition report (RCR) will be completed by a housing staff member along with the resident and approved by a professional housing staff member upon move-in and move-out. Any damages will be documented on the RCR and will be taken out of a student’s housing security deposit if not present on the previous RCR. Students will have the opportunity to sign off on their RCR when they check in and check out of Campus View Housing.

4. If a student staff member completes the RCR, a professional housing staff member will approve or revise the RCR and complete a Housing Exit Form (HEF) with the student, outlining their date and time of departure. Residents must complete the HEF with their resident coordinator or other housing professional staff member. Failure to complete a HEF upon move-out may result in forfeit of one’s housing security deposit.

5. The student, after completing the RCR and HEF forms, must turn in all keys and Jackson College IDs to the housing professional staff member. Amount of refund will be determined based on the RCR, HEF, and any charges occurred during the students stay in Campus View Housing.

Contact the director of housing or assistant director of housing if you have any questions regarding this process. The check-out process is required upon departing Campus View Housing.
Security deposit refunds are given to students after students leave Campus View Housing on good terms or do not return to Campus View Housing for the following semester and after it has been determined that no charges are pending. Deposits will be returned within 30 days after a proper check-out.

To be eligible for a deposit refund, the Room Condition Report (RCR) and Housing Exit Form (HEF) must be completed and the proper check-out process must be followed.

**Room Condition Report (RCR):** Comprehensive room report that documents the condition of the room on arrival and the condition of the room on departure. All aspects of the room and suite, along with furniture are evaluated.

**Housing Exit Form (HEF):** Exit form completed by the resident and housing professional staff member outlining date and time of student’s departure from housing.

**Special Housing/Accommodation Requests**

We want to help students that have special housing needs and/or accommodations. Students must submit requests to and receive approval from the Center for Student Success for an accommodation. The Center for Student Success can be reached by visiting the website at [www.jccmi.edu/center-for-student-success/accommodations-for-students-with-disabilities/](http://www.jccmi.edu/center-for-student-success/accommodations-for-students-with-disabilities/)

**Room Change Requests**

The housing staff is available to assist you in your transition to living in Jackson College Campus View Housing. They will work with you to resolve any roommate difficulties including a room change if necessary. Room changes may not be made without prior approval of the director of housing or his/her designee. Room changes may not be made within the first three weeks of any semester.

A resident may be required to move when a conflict between residents occurs and all mediation attempts have been exhausted, in cases where open spaces need to be consolidated, or any other circumstance that housing deems appropriate.

All room change arrangements are coordinated by housing. Students may not switch/trade assigned rooms without permission. Doing so will result in fines and can result in removal from Campus View Housing.
When a room change is necessary the housing staff will inform suitemates by e-mail, phone call and/or posted notice.

**Suitemate Agreements**

Suitemate agreements are required to be completed by each suite and will be discussed at floor meetings and orientation. An RA will meet with each suite to ensure completion within the first two weeks of each semester. The agreement provides an opportunity for residents of a suite to discuss specifics relating to how they will manage cleaning, noise, guests, etc.

All residents are strongly encouraged to communicate with their suitemates when conflicts arise. Please contact your resident assistant (RA) for information on how to resolve conflicts and to receive assistance in resolving the conflict. Resident assistants are trained in conflict management and will be able to assist with mediation.

**Room Entry**

In accordance with our educational mission, Jackson College aspires to maintain a healthy and safe environment, as well as respect and preserve your right of privacy. Jackson College, however, reserves the right to make periodic administrative entrance and inspections of suites and individual bedrooms (whether or not the residents of the room are present) whenever:

- There is a threat to the safety or well-being of the room’s occupants or other residents. Examples include: a report of self-harm, faulty equipment, suspicion of physical danger, smell of or visible smoke, etc.
- There is reason to believe the occupants of the room are violating a College rule/regulation or state/federal law. Examples include: smell of illegal substance and no one answers door, sounds, smells, or words heard from a suite relating to alcohol consumption or drug use. The College reserves the right to remove any object or material which would constitute a violation of College policy.
- There is reason to believe that there is imminent hazard to the property and subsequent removal of any hazard discovered. Examples include: fireworks, smell of gasoline, report of weapons, water leaks, or smoke detectors covered/removed.
- Disruptive noise is impeding a member of the community’s ability to sleep, study, read, etc. Examples include: alarm clock sounding and resident has left, stereo left on and no one home, noise is loud and no one is answering repeated knocks at door.
- To address any needed maintenance repairs/concerns. Examples include: repairs to appliances, routine maintenance – caulking showers, window repair/sealing and wall crack repairs.
- When it is necessary for authorized College personal or their agents to search a student’s room without the occupant’s present two (2) staff members will be present. A student who believes this policy to have been violated may appeal directly to the director of housing.

**Routine Health and Safety Inspections**

In order to ensure suites are being maintained properly and to check for unreported damage, housing staff and Jackson College Campus Security collaborate to complete health and safety inspections. Housing and Campus Security staff will enter suites and apartments for health and life safety inspections each semester. Residents will be notified in advance before the inspections.

Residents are expected to keep their suites and rooms clean and safe. Inspections will be for unsanitary conditions (accumulated trash or concerns with cleanliness) and for fire safety violations. If a suite or room does not meet health and safety specifications, the residents will
have a written specified amount of time to correct the situation after which time another inspection will be conducted.

A Notice of Concern letter is used to address minor violations of housing policies and issues related to maintenance, health and safety. The letter will be sent to residents of the suite or room and document how and when the issue was discovered and how it should be corrected. Residents will be notified when the staff will return to ensure the request has been complied with and who to contact if they have questions. Residents must comply with a Notice of Concern letter or further action through the conduct process may be taken.

Safety checks are also conducted in the residence halls during fall, Thanksgiving, winter and spring break, and occasionally throughout the semester, to ensure the space has been left in safe condition. Notice is posted in advance. Policy violations in plain view will be documented and disciplinary action will be taken.

Confiscation

Certain items are prohibited in the residential areas of the College because of health, fire or safety reasons; city, state, or federal law; or college policy. When these items are encountered or discovered by College officials, they are subject to confiscation. Campus Security and law enforcement, have the authority to confiscate items that are a health, fire or safety concern.

Items prohibited by Jackson College policy for health, fire, or safety reasons may be returned to the owner on the date and time provided by Campus Security at the time of confiscation, provided that the item be removed from campus immediately and not returned to the premises. While carrying out its educational mission, Jackson College aspires to create and maintain conditions that are fun and educational.

All Jackson College Campus View residents and their guests are responsible for conducting themselves in a manner that does not infringe on the rights of others or interfere with the educational mission of the College. By signing your housing and meal plan contract, you agree to make yourself aware of and abide by all housing policies and expectations; the Jackson College Student Code of Conduct; and applicable state and federal laws. A copy of the Jackson College Student Code of Conduct may be obtained from Student Services in the Bert Walker Hall or online at www.jccmi.edu/student-life/student-conduct/

The availability of financial aid does not relieve the student of financial responsibility for all sums due under the contract. Any amount not covered by financial aid is due in accordance with the payment dates agreed upon in the student’s payment plan with the College. If you have questions regarding financial aid refer to the financial aid website or visit Student Services in the Bert Walker Hall. Applicants should note that the financial aid process can take several weeks and proper time should be allotted for applications to be reviewed and approved. Financial aid cannot be used to cover the application fee, background check or housing security deposit.

they deem to be excessive, disruptive behavior that is disrespectful to others, in the immediate outside vicinity of the living area (e.g. sidewalks or entryways). Residents may be asked to quiet down, may be referred to professional staff members, may face judicial sanctions, and/or individuals and groups may be asked to leave the area.

The following policies have been developed to ensure the residents of Campus View Housing are free to live and study peacefully:

**13.1 Courtesy Hours**
At Jackson College we have a 24-hour courtesy policy, which means that the right to study and sleep supersedes the privilege to entertain oneself or others. A “24-Hour Courtesy” policy upholds the College's commitment to providing an environment where students may experience academic success. Noise, which is disruptive to others, is prohibited and may result in disciplinary action. Students are free to have radios, stereos, televisions, etc. in their rooms, but the amplification should be controlled so that neighbors both inside and outside of the building are not disturbed. Speakers must not face or be placed in windows. Failure to keep the noise level of sound equipment reasonable may result in removal of the equipment from the student’s room and/or other appropriate sanctions. In addition, noise levels may not violate quiet hours which may pertain to another floor i.e. the academic floor.

**13.2 Quiet Hours**
Campus View Housing also has quiet hours from 10 p.m. to 8 a.m. Sunday-Thursday, 11 p.m. to 8 a.m. Friday-Saturday. Honors floor has quiet hours from 9 p.m. to 8 a.m. Sunday-Thursday, 10 p.m. to 8 a.m. Friday-Saturday. During this time noise should be kept at a minimum. Students in public areas should refrain from making any unnecessary noise or being disruptive.

**13.3 Finals Week**
Quiet hours also apply the week of finals, 24 hours a day.

**14. PETS**
Residents are not allowed to keep pets of any kind (except fish in a clean, odor-free aquarium that is less than 10 gallons) on campus. No birds. No reptiles. No rodents. Feeding and temporary keeping of animals in or around living areas is also prohibited. Residents who do so will be subject to cleaning and fumigation fees, as well as disciplinary action.

**15. POSTINGS**
Registered student organizations may request information to be distributed to each resident by obtaining authorization and written approval from the director of housing. Once approval is provided, the director of housing will coordinate the delivery of the information.

Any postings, flyers or advertisements from a non-registered Jackson College student organization, Jackson College student (including Campus View Housing residents), or any outside entity will need stamped/written approval from the director of housing to post flyers in designated posting areas. The director reserves the right to deny approval for postings deemed inappropriate for the residence hall and may take down any non-approved postings.

Jackson College considers the entire exterior suite door, wall surrounding the exterior door, and hallway walls to be under the governance of housing. Any postings deemed inappropriate or are inappropriately placed may be removed by housing or campus security staff.
Only authorized housing personnel are permitted to post or distribute materials. At no time may postings be slid under room doors, except for those authorized by the director of housing.

16. RESIDENCE HALL ENTRY
Residents must present their ID to the desk aide upon entering the building. Non-residents may not enter the building without a resident host. Security measures can be taken at any time necessary for the safety of Jackson College residents.

17. SELF-LEADERSHIP
All residents are expected to conduct themselves in a manner that promotes and supports the well-being of the community as well as the well-being of other members of the community. Therefore, the College reserves the right to confront behavior that is detrimental to the student or infringes upon the rights and sensitivities of others. In addition, any activities that take place in the suite or room belonging to the resident, whether the resident is present or not, are the responsibility of that resident.

18. SOLICITATION AND MEDIA IN THE BUILDINGS
In order to maintain a comfortable and safe living and learning environment the director of housing must approve all individuals looking to solicit in the building and must be notified of any unscheduled media (e.g. newspaper, television reporters) visits to the building.

Resident students may be contacted by media sources that have not been scheduled through housing or Jackson College. Housing knows that this is a great opportunity for our residents. We do require that if unscheduled media will be in the building or resident(s) are planning to be interviewed that they obtain permission from the director of housing as well as the director of marketing.

19. LOCK-OUT
Any resident that request entry into their suite/room will be required to provide housing or campus security staff a legal form of photo identification. If a resident cannot provide a proper ID they will not be allowed entry into their suite/
room. This is considered a lock-out and residents will be charged accordingly. At no time will the
housing or campus security staff grant entry into another resident’s suite or room. A scheduled

Residents are responsible for personal property at all times. When residents have not vacated as scheduled (internal transfers, removals, as well as the end of a contract period) or have not removed personal property, housing staff will make a reasonable attempt to contact the residents via phone, e-mail and physical mail. Residents who have not vacated as scheduled or at the end of a contract period will be charged the daily rate for each day they remain. If after 48 hours, the resident has not vacated, personal property will be removed and stored at the resident’s expense.

Personal property removed by Jackson College Housing staff will be stored for 21 days. After 21 days, the items will be considered abandoned and donated to charity or discarded. Jackson College and Jackson College Housing is not liable for damage to or loss of property that might occur during removal or disposal. Residents will be billed for all costs incurred in removing personal property and restoration of the unit to usable space.
CONDUCT PROCESS
The housing staff at Jackson College is committed to maintaining a safe and productive learning environment. To accomplish this goal, the department has developed housing policies that reflect the values and standards of the community, which have been previously listed. Given that our community is comprised of individuals with diverse backgrounds, lifestyles, and beliefs, the established policies and procedures aim to protect the rights of members of the college community, individually and collectively.

The housing staff strives to provide a living/learning environment where students can benefit by learning and demonstrating appropriate behavior, and foster an environment where residents and their guests understand that individuals are responsible for their actions and that there are natural consequences to inappropriate behavior. The housing staff will confront issues as they become aware of them. Staff may learn of situations in a variety of ways including, but not limited to: while completing duty rounds, resident reports, desk aide reports, parent phone calls, social media sites, building cameras and/or, from the other college employees.

Jackson College’s philosophy of discipline is one of education. While there are consequences for violations of community standards of behavior, our goal is to help students grow and learn from their mistakes and become active and positive members of our community. Residence assistants, desk aides, and security staff will contact a professional staff member when situations become escalated or it is apparent that a resident/guest poses a threat to himself or others, when there is a violation of campus or state/federal law or for any other situations where staff deems it necessary.

It is easy for residents to be upset when they are maybe confronted by a staff member. We encourage residents to keep in mind that the staff is just doing their job. Residents are expected to be cooperative, understanding, and patient when confronted.

There are a variety of ways incidents may be managed depending on the type of situation or policy violation. The following is the protocol for managing policy violations within the residence halls; these policies fall under the Jackson College Student Code of Conduct. Students looking for further information on the Jackson College Student Code of Conduct and processes should refer to: www.jccmi.edu/student-life/student-conduct/.

As resident students, you are required to follow both Jackson College campus policies and Campus View Housing policies as outlined in this booklet. You are required to read and know all campus policies. The judicial process is explained in the Student Code of Conduct, Article IV. www.jccmi.edu/student-life/student-conduct/.
