Dr. Ethelene Jones Crockett attended Jackson High School and graduated from Jackson Junior College in 1934. Dr. Crockett was director of the Crittenton Hospital clinics, headed the health care committee of New Detroit, Inc. and organized neighborhood health programs. As Michigan's first female African American obstetrician/gynecologist, Dr. Crockett received the Detroit Medical Society's "Physician of the Year" award. She served on the boards of the Michigan Cancer Foundation, United Community Services and received the "Howardite of the Year" award from Howard University, which she attended after medical studies at the University of Michigan. Dr. Crockett was the first woman to serve as president of the American Lung Association and she presented the Christmas Seal Campaign to President Jimmy Carter on behalf of the American Lung Association in November 1978.

Dr. Crockett was the keynote speaker during our 1972 commencement program. She passed away in 1979, but her achievements serve as a positive example to our College community.
