DISTRIBUTION PLAN

The required annual notifications will be distributed to students and employees using their college email address once each year. In order to assure that students start attending and employees who are hired after the email distribution receive the information it will also be included in New Student Orientation, Residence Life and New Employee Orientation. Additional information will be provided to employees by offering professional development opportunities (on-line and face-to-face workshop). The Student Life and Residence Life Departments will coordinate informational workshops and activities for students that promote and support a drug and alcohol-free campus.

EVALUATION

The Chief Operating Officer, or designee, will evaluate the effectiveness of this plan at the end of the report period (August 31, 2026) and issue a Biennial Report by December 31, 2026. The following review criteria will be utilized:

- Participation in the activities and feedback from participants
- Evaluation of the results of student survey and any activities implemented to address any issues identified in the survey results
- Number of drug and alcohol related referrals to student judicial
- Number of drug and alcohol related employee disciplinary actions
