The ELI Language Lab is designed to assist all ELI students in additional tutoring/instruction in their core and non-core classes.

Pre-requisites: None

Co-requisites: Registration in one or more courses of the ELI. This course is required for full-time students on F-1 visas.

Knowledge, Skills and Abilities Students Acquire from this Course (Educational Objectives)

Students will:

- Develop awareness of resources to help them in their current and future class work
- Develop independence and confidence in class work
- Work independently or with small groups to increase understanding of class work
- Work with online/web-based programs to increase understanding and fluency

Associate Degree Outcomes Addressed in this Course (These must appear in course syllabus.)

N/A

Units/topics of Instruction

This course is an open language lab with a tutor to assist students with homework. There is no scheduled calendar. The Language Lab tutor may choose to offer mini workshops on topics of need/interest, for example pronunciation, slang/idioms, etc.

Students will work on publisher websites, which coincide with their textbooks, for additional practice.

Instructional Techniques and Procedures

Students will:

- work with partners and in small groups on projects and classwork
- use web-based ESL
- read and do exercises in their textbooks and online

Instructional Use of Computer or Other Technology

Students will use CD's, DVD's, web-based technology, phone apps, etc.

Instructional Materials and Costs to Students

Required Textbook and Supplies:

Students will use course materials from their core courses.

Students will also need to provide:

1. Notebook
2. Pen/Pencil
3. Class assignments/homework

Textbooks will cost, on average, \$35 - \$45 per class.
