I – Incomplete: The incomplete grade is designed for students with extenuating circumstances to allow them to complete the course requirements after the semester or session has ended. Students may receive an "I" if, in the opinion of the instructor, their work is sufficient in quality, but is lacking in quantity to meet the objectives specified in the course syllabus. The course objectives are to be satisfactorily completed during the next semester, or within a shorter period of time as determined to by the instructor. If the student does not complete the course within the designated time period, the Registrar will replace the "I" grade with the earned grade as assigned by the instructor. It should be noted that even though a grade of "I" does not affect a student's GPA, it does affect financial aid and earned credits and will not count toward program completion.

The grade of "I" is not awarded to students who did not attend, or seldom attended, or to those who simply are not pleased with their final grades. Students receiving an "I" submit only the remaining work that was not completed before the end of the semester. Students may not redo work that was previously graded.

Please submit Incomplete Grade Form to the Registrar.
