ARTICLE II: RECOGNITION

The Jackson College hereby recognizes the Jackson College Educational Support Personnel Association (JC-ESP), JCEA, MEA/NEA, as the sole and exclusive bargaining representative, for the purpose of and as defined in the Public Employment Relations Act, as amended, MCLA 423.201 et seq.; MSA 17.455 (1) et seq., (PERA), for all full time and regular part time classified and technical personnel; excluding the administrative support person to the President and Chief Operating Officer. Unless otherwise indicated, use of the term "employee" or "bargaining unit member" when used hereinafter in this Agreement shall refer to all members of the above defined bargaining unit. Within the various classifications of bargaining unit members covered herein there shall be the following categories:

- A. Full-Time Employees. A bargaining unit member hired to work for a minimum of thirty (30) hours per week and for a minimum of twelve (12) consecutive weeks.
- B. Part-Time Employees. A bargaining unit member hired to work for twenty nine (29) hours or less per week
- C. Probationary Employees. A bargaining unit member who is employed to fill a full- or part-time position shall, for a period of six months, be a probationary employee. With notification and supplied reason to the Association, the probationary period can be extended for up to six months by recommendation from the administrator to the President or designee. In case of extension, the employee will be provided with a performance improvement plan specifying the areas that need improvement.

During the probationary period, probationary contract employees shall come under all of the terms and conditions of this agreement except access to the grievance procedure in the case of disciplinary action or dismissal.

- D. Temporary Employees. Temporary employees are employed to temporarily replace bargaining unit members on paid or unpaid leaves of absence or employed for brief period of time to supplement existing staff.
 - 1. Definition of Temporary Employee. Temporary employees may be assigned duties on a full- or part-time basis but are not full- or part-time employees as defined in Article II, A & B of this Agreement.
 - 2. Eligibility for Benefits. Temporary full-time employees are not eligible for medical insurance and pro-rated vacation leave for the first one hundred twenty (120) calendar days of employment. Temporary employees working thirty (30) hours a week or more become eligible for medical insurance and pro-rated vacation leave on the 121st calendar day of employment. A temporary employee will only be utilized one hundred and twenty (120) calendar days in any one department not to exceed (180) calendar days each college fiscal year.
 - 3. Temporary Assignments. Current part-time employees may be temporarily assigned additional hours. Should this assignment result in the employee working thirty (30) hours per week or more for longer than ninety (90) calendar days, the employee will be eligible for health insurance and prorated vacation on the 91st day of the assignment. At the end of the temporary assignment the employee will return to his/her regular schedule and

will no longer be eligible for medical insurance and pro-rated vacation leave. The Association will be notified of all internships.

ARTICLE III: MANAGEMENT RIGHTS

- A. Except as limited by a provision of this Agreement, the Board of Trustees and Administration shall continue to have the right to take any action it deems appropriate in the management of its operations, and the direction of the work force in accordance with its judgment. All inherent and common law management functions and prerogatives, which the Board of Trustees has not modified or restricted by a provision of this Agreement, remain vested in the Board.
- B. The Board of Trustees and Administration reserves the right, in accordance with its judgment, to reprimand, suspend, discharge or otherwise discipline employees; to hire, promote, rehire, demote, transfer, layoff and recall employees to work, to maintain the efficiency of employees, close down operations or any part thereof, or expand, reduce, alter, transfer, assign or cease any operation, to regulate the use of and operation of equipment and property of the College, to schedule work, to assign work, to determine the size and composition of the work force, to make or change rules, policies and practices not in conflict with the provisions of this Agreement; to introduce new and improved techniques, methods, materials and equipment, and otherwise generally manage the operations and work force and establish terms and conditions of employment, except as modified and restricted by this Agreement.
- C. The Board of Trustees or Administration not exercising any management rights hereby reserved to it, or exercising any management rights hereby reserved to it in any particular way, shall not be deemed a waiver of its right to exercise such function or preclude the Board from exercising the same in some other way not in conflict with the provisions of this Agreement.

ARTICLE IV: PURPOSE

- A. The parties agree that the College is engaged in furnishing an essential public service, vital to the health, safety, comfort and general well-being of the specific population that it serves. Both parties to this Agreement recognize the mutual responsibility they have to the public which they serve, and have entered into this Agreement as an instrument and means to permit them to fulfill said responsibility, and with the intention and desire to foster and promote sound, stable and peaceful labor relations between the Administration and the Association, bearing in mind that all interpretations of this Agreement shall be based upon the fulfillment of the mission of the College as stated herein. It is the intent of this document to establish an orderly relationship between the Board and the Association so that the service to the public shall be on an efficient, uninterrupted and economical basis.
- B. This Agreement is negotiated pursuant to the Public Employment Relations Act as amended, to establish the wages, hours, terms and conditions of employment for the members of the bargaining unit as defined above.
- C. The College and the Association recognize the importance of orderly and peaceful labor relations for the mutual interest and benefit of the College, bargaining unit members and the Association. The Administration and the Association further recognize the mutual benefit of just and expeditious resolution of disputes which may arise as to the proper interpretation and implementation of this Agreement and accordingly, have included herein a grievance procedure for the effective processing and resolution of such disputes.
- D. The wages, hours, terms and conditions of employment provided in this Agreement shall remain in effect until changed by the written mutual consent of the parties or expiration of the Agreement. The parties agree that their undertakings in this Agreement are mutual. Any previously established practice, policy, rule, or regulation which is in conflict with the provision of this Agreement shall be superseded and replaced by this Agreement.

- E. The Administration and the Association recognize the principals involved in the area of civil rights, fair employment practices and affirmative action, and reaffirm their commitment not to discriminate on the basis of race, color, religion, national origin or ancestry, age, gender, marital status, height, weight, sexual orientation or handicap and any other category protected by state and federal law.

ARTICLE V: ASSOCIATION AND MEMBER RIGHTS

- A. Association Membership. Pursuant to Act 336 of the Public Acts of 1947, as amended, the Board of Trustees hereby agrees that every eligible employee shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the laws of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Act 336 or other laws of Michigan or the Constitution of the United States; that it will not discriminate against any employee with respect to any term or condition of employment by reason of his membership in the Association, his participation in any activities of the Association or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment. In accordance with PA 347 of 2012, neither the Association nor the College shall coerce, threaten, or otherwise pressure any employee to join or not join, the Association.

The Association agrees to be bound by the same applicable laws.

- B. Nothing contained herein shall be construed to deny or restrict any employee rights he/she may have under the Michigan General School Laws or other laws and regulations as they apply to the community college. The rights granted to employees in this Agreement are in addition to those provided elsewhere.

- C. Use of Facilities.

1. To the extent that the same is required by Law and common courtesy, the College shall permit the Association and its representatives to use the facilities of the College upon timely request by the Association. Facilities shall mean buildings, equipment, supplies, or any other tangible or intangible property owned by the College. The utilization of such facilities shall be in the discretion of the College and the denial of any request, for the utilization of any such facilities, shall not be cause for any grievance hereunder, it being understood that the use of such facilities, upon request, shall not be unreasonably withheld.
2. It is further understood that the Association shall reimburse the College for any loss or damage, other than reasonable wear and tear, when any such facilities are utilized pursuant to the above paragraph and shall hold the College harmless from any claim for damage or liability in connection therewith.
3. The College agrees to make available a secure room in one of the college buildings suitable for use as an Association office, and duly authorized representatives of the Association shall be permitted to transact official Association business on college property, but this shall not interfere with nor interrupt college operations. The Association agrees to pay the cost of installing and maintaining private telephone service.

- D. Official Association Business. Duly authorized representatives of the Association (officers of the local Association and the area representative) shall be permitted to transact official Association business on College property, provided they shall have first notified their supervisor. Such official business shall not interfere with nor interrupt College operations. Every effort should be made to conduct regular association meetings on lunch hours or after hours.

- E. Association Communication. Bulletin boards and other established media of communication including electronic media shall be made available to the Association for official business. This shall not require the construction nor placement of additional bulletin boards. This right shall not be used as a means of personal attack on the members of the Board of Trustees or members of the staff.

- F. Information Requests. The Administration shall furnish to the President of the Association, or his/her designee, information relevant to collective bargaining or to the processing of a grievance. Excluded from this provision are

notes taken in relation to investigations.

- G. Non-Discrimination. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied in a manner which is not arbitrary, capricious, nor discriminatory, and without regard to race, creed, national origin, age, gender, marital status, sexual orientation or political affiliation and any other legally protected category.
- H. The College will not aid or assist in the organization of a competing labor organization.
- I. Association Leave. The College shall grant the Association 70 hours of paid leave of absence each year for the use of its representatives to conduct Jackson College Association business or to participate in governance, training or related activities of the Association that relate to Jackson College. In addition, the Association President shall receive thirty (30) hours of paid leave of absence each year to conduct Jackson College Association business. The College will be notified at least two (2) business days in advance of the use of any such day or days unless otherwise agreed upon by the college. Notification shall be through the President of the Association to the employee's supervisor, who will be responsible for notifying Human Resources. The Association agrees that such days shall not be used in connection with job action activities of other associations.
- J. Private Life. Except as qualified herein, the private and personal life of any bargaining unit member is not within the appropriate concern or attention of the Board. For example, this section is modified by the Harassment section below in K.
- K. Harassment. Association members have the right to perform their work free from illegal discrimination and harassment, assaults, batteries and other extreme conduct from students, other employees or members of the general public on the property of the College. Any incidents shall be reported to the employee's immediate supervisor or Human Resources, as soon as possible. The College agrees to investigate complaints and take appropriate action to prevent reoccurrence.
- L. Rules and Regulations. The Administration reserves the right to make and communicate rules, regulations and directions as it deems appropriate in keeping with the fulfillment of its charter and purpose. Bargaining unit members shall comply with these rules, regulations and directions. Any employee or group of employees adversely affected by such rules, regulations and directions, may challenge same through the grievance procedure. No employee shall be required to comply with any rule, regulation or direction which places the employee in imminent danger to his/her well-being.

ARTICLE VI: GRIEVANCE PROCEDURE

- A. Purpose. The primary purpose of this procedure is to secure in the most efficient manner equitable solutions to a claim of an aggrieved party. Both parties agree that these proceedings shall be kept informal and confidential at each level of this procedure.
- B. Definition. A "grievance" is a claim by an employee or a group of employees or the Association that there has been an alleged violation, misinterpretation, or misapplication of any a specific article or section provision of this Agreement or any rule, order, policy, or regulation of the Employer which affects a major term or condition of employment.
- C. General.

 - 2. A supervisor or the Administration failing to meet the time limits as set forth herein shall permit the grievant(s) to proceed to the next level within ten (10) working days from the date when the supervisor's or the Administration's time for answer expired.
 - 3. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is consistent with

the terms of this Agreement provided that the Association has been given the opportunity to be present at such adjustments.

4. Either party may involve their representation at any and all levels of the grievance proceedings. In order to accommodate scheduling issues for meetings set forth in the grievance procedures, the timeline for processing the grievance may be reasonably extended upon mutual consent from all parties.
5. A grievance may be withdrawn at any level without establishing a precedent. However, if in the judgment of the Association the grievance affects the welfare of the bargaining unit member, the grievance may be continued to be processed as a grievance of the Association. A grievance, continued by the Association, may only be moved to mediation when a bargaining unit member is a joint party to the grievance.
6. There shall be no reprisals of any kind against any employee involved in the grievance procedure.
7. All reasonable requests for available information necessary to the determination and processing of any grievance shall be honored by both parties. Excluded from this provision are investigatory notes.
8. When a grievance is granted, all documents, communications and records relating to said grievance shall not be filed with the personnel files of the participant(s).
9. The grievant(s) and the grievant's Association Representative shall be released from duty, with no loss of pay, to attend grievance meetings and hearings which shall be scheduled during the normal working day.
10. The decision of the College in a case shall not require a retroactive wage adjustment in another case.

D. Procedure.

 - a. If the Level One discussion is not satisfactory, the complaint shall be reduced to writing on the Grievance Report Form (Appendix D) and shall be presented to the Administration and the Association grievance chair within ten (10) working days of the grievant(s) knowledge of the event or occurrence which is the basis for the complaint.

4. Level Four – Mediation.

- a. Any dispute not resolved under the Grievance Procedure as set forth in this agreement may be alternatively resolved under the following terms and conditions. The Association or the Administration has ten (10) working days from the date of the Level 3 or Level 4 determination to refer a matter to mediation. The parties agree to maintain a panel of three (3) mediators. Said Mediators shall, by qualification, be members on the panels of the Michigan Employment Relations Panel of Arbitrators, the American Arbitration Association, the Federal Mediation Panel of Arbitrators, or the Society of Professionals in Dispute Resolution Arbitrators.

The Mediator shall then make a recommendation or recommendations, as the case may be, to the parties for the resolution of the dispute. The Mediator's recommendation must be made within the confines of the Collective Bargaining Agreement, however, the Mediator shall have the authority to recommend resolutions beyond the exact terms of the Agreement, as alternative resolutions, and under such terms and conditions as the Mediator shall deem to be in pursuance of the spirit and intent of the Collective Bargaining Agreement and in pursuance of good industrial relations.

The parties shall have five (5) working days from the receipt of the Mediator's recommendation or recommendations to accept or reject the same, or to accept in part the same, and the parties shall then meet in an effort to resolve the dispute. If such recommendations resolve the matter, the matter shall then be deemed resolved, however, at all times any resolution achieved in this manner shall:
 - 1) Not set any precedent with respect to the interpretation of the Agreement or other precedent whatsoever unless mutually agreed between parties,
 - 2) Such resolution shall not be utilized or alluded to in any way, form, or manner in any subsequent hearings, nor shall the same be utilized to resolve any other pending matters or future matters, except as the same set forth a consistent interpretation of the Collective Bargaining Agreement
 - 3) If the recommendation does not resolve the issues, then either party shall have the right to take such action as they deem appropriate in any manner authorized by law, including but not limited to, charges filed with the Michigan Employment Relations Commission, charges filed with any of the Courts of this State, or Courts of this Nation, or any other such forums having jurisdiction over the parties hereto.
 - 4) Costs of the mediator service, if any, shall be shared equally by the parties.

ARTICLE VII: CONTINUITY OF OPERATIONS

- A. No Strike Clause. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it will not, during the period of this Agreement, directly or indirectly, engage in or assist in any strike against the Employer, as defined by the Public Employment Relations Act.

- B. No Lockout Clause. The Employer and the Association agree that they will not, during the period of this Agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by the Public Employment Relations Act. The Employer also agrees that it will not lockout any bargaining unit member during the term of this Agreement or during any period which in a successor Agreement is being negotiated by the parties.

ARTICLE VIII: SUB-CONTRACTING/PRIVATIZATION

- A. Sub-Contracting. For purposes of this agreement the term sub-contracting is used to refer to the short-term or intermittent use of staffing sources outside the bargaining unit.

 2. The College agrees that supervisors or non-unit personnel shall not be used at any time to displace bargaining unit members regularly employed in the bargaining unit, except in emergencies when bargaining unit members are not available. For purposes of this provision, an emergency shall be defined as an unforeseen circumstance or a combination of circumstances which call for immediate action in a situation which is not expected to recur.
 3. The College will not sub-contract work unless:
 - a. Association members do not possess the skills to perform the work as reasonably specified.
 - b. The manpower, equipment and capacity of the College to perform the work, as reasonably specified, with Association members is not available and reasonable attempts to hire labor were not successful.
 - c. The work involves a visiting or performing group which, by contract, requires the use of other unionized employees or employees of the group.
 - d. The work involves physical plant activities at any of the extension center campuses.
 4. No individual shall perform services for the college through any sub-contractor for more than 150 days in any department or 180 days in any academic year.
 5. The parties mutually recognize the College's right to introduce new technology and techniques into the workplace. Any displacement or layoff of personnel caused by same shall be handled pursuant to the layoff and recall provisions of this agreement.
- B. Privatization. For purposes of this agreement the term privatization will refer to the sale, lease or operational agreement of all or a portion of a unit to an individual, agency, group or company outside of the College on a long-term continuous basis.

Whenever the College/Administration determines that privatization of any activity (e.g., work group, unit, department, division) of the College is to be considered, the following policies/procedures shall apply:

1. Association will be notified not less than one hundred twenty (120) calendar days prior to the effective date of the decision.
2. A joint Administration/Association team will be formed to consider all aspects of a possible recommendation to privatize. The team will:
 - a. Review all available data and information that prompted consideration of privatization (e.g., bids from outside vendors).
 - b. Collect additional data/information as needed.
 - c. Study alternatives to privatization such as reorganization, phasing down of staffing levels or other restructuring of the effected department/division.
 - d. Provide a recommendation to the President 14 days prior to the effective date of the decision.

3. The team will be composed of five (5) members.
 - a. The Administration will appoint one (1) administrator to the team. The administrator or designee would represent the area selected/considered for the privatization.
 - b. The Association will appoint one (1) team member.
 - c. The Classified/Technician staff in the affected area will select one (1) team member from their work group.
 - d. Two (2) other team members will be selected. These additional members will be selected from employees of JC. The Association and the Administration will each submit a list of five (5) people. The Association representative and the Administration representative will select two (2) people from the ten (10) submitted. Should agreement fail to be reached then each party selects one (1) representative.
 - e. The team will have an impartial third party act as facilitator. The facilitator will not have a vote. A list of three (3) names will be submitted by the Association and Administration to the team. The team will attempt to select one of the three (3) by majority vote. Should the team fail to reach consensus on the selection the Association will select one of the three (3). The expenses of the facilitator will be paid in full by the Association.
4. The team will use the tools and methods of the continuous improvement process utilized at the College. Appropriate training will be provided, as needed.
5. The team will make their final recommendation to the College President not less than fourteen (14) calendar days prior to the effective date of the decision date in B.1., above.
6. The President's final decision shall be binding on all parties and not subject to grievance.
7. Any action pursuant to the above process that affects the continued employment or working conditions of any bargaining unit member shall be subject to the provisions of this agreement. Efforts will be made to reconfigure staffing assignments so as to preclude layoff of any bargaining unit member.
8. Any waivers to this agreement proposed through the above process shall require a written agreement by the Association and the College.
9. No work group will be subject to the above process more than once in any twenty-four (24) month period.
10. If work is subcontracted to an outside contractor on a long-term basis using this process, a joint College and Association team will be established to review whether a savings or the goals of the privatization or subcontracting were realized from the subcontracting or privatization of bargaining unit work. The team will meet fifteen months after the decision to subcontract or privatize was made. Determination of savings will be made by comparing like data.

ARTICLE IX: MAINTENANCE OF MEMBERSHIP AND PAYROLL DEDUCTIONS

- A. Bargaining unit members may, at any time, sign and deliver to the Payroll Office and the Treasurer of the Association, an assignment authorizing deduction of continuing membership for professional dues. The bargaining unit member may resign membership in the Association by providing a written resignation to the Association President with a copy to the Human Resources Office, to terminate payroll deduction of dues, if applicable.
- B. Payroll Deductions.
 1. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of Dues, Assessments and Contributions in the Association as established by the Association. Pursuant to such authorization, the Employer shall deduct one-twenty sixth (1/26) of such dues, assessments and contributions from the regular

salary check of the bargaining unit member. The college will comply with PA 53 if and when it becomes evident that the Act applies to the college.

2. Payroll deductions are also authorized for United Way, U.S. Government Saving Bonds, Group Insurance Premiums, Insurance Premiums, and any other deductions which may be mutually agreed upon. Electronic payroll deposits are made to most banks and credit unions. Wage deductions are authorized for tax-sheltered annuities.

ARTICLE X: NEGOTIATIONS PROCEDURE

- A. It is contemplated that the terms and conditions of employment provided in this Agreement shall remain in effect during its duration as set forth herein. It is likewise contemplated that matters previously unforeseen or not negotiated may be negotiated by mutual consent of the parties.
- B. Representatives of the College and the Association's bargaining committee will meet at reasonable times for the purpose of reviewing the administration of the contract and to resolve problems that may arise. These meetings are not intended to by-pass the grievance procedure and the party requesting the meeting shall inform the other of agenda items. Should such a meeting result in a mutually acceptable amendment to the Agreement, then the amendment shall be subject to ratification by the College and the Association provided that the respective bargaining committees shall be empowered to effect temporary accommodations to resolve special problems not requiring alteration of previously ratified Articles.
- C. Negotiations between the parties on a successor Agreement shall begin in a timely fashion after notice of intent to bargain and pursuant to statute. When negotiations are conducted during regular work hours, release time shall be provided for the Association's negotiating committee.
- D. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will have all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.
- E. There shall be two (2) signed original copies of any final agreement. One copy shall be retained by the College and one by the Association. Copies of this Agreement shall be sent electronically to each bargaining unit employee within thirty (30) days after the Agreement is signed and presented electronically to all bargaining unit employees now employed or hereafter employed by the Employer.
