

## How to Install And Activate MS Office On A Chromebook With Jackson College Credentials

- 1. To install and activate MS Office applications on a Chromebook, open the Google Play store and search for the Microsoft Office applications you'd like to install.
  - a. We recommend installing each program individually (i.e. Word, Excel, PowerPoint, etc.) rather than installing the single "Microsoft Office" application.

- 2. Now that you've installed the Microsoft apps from the Google Play store, you'll need to activate them with your Jackson College credentials. We recommend doing this with the Microsoft Word app.
  - a. Open Microsoft Word. You will likely see the pop-up message below, select "Allow".

Allow <b>Word</b> to acc your device?	ess photo	s, media, and fil	es on
		DENY	ALLOW
	Microso	ft	

3. Next you will be prompted to "Sign in or Sign up" with an email, you will want to enter your JC email here.

Sign in later
By using this app, you agree to the terms of use

4. After you enter your JC username in the screen above and click the "→" symbol, you'll then be redirected to the Jackson College login screen below. Sign in with your JC username and password on this screen.

<b>+</b>	_ e >
	Sign in with your organizational account
	ChipsJohnC@my.jccmi.edu
	Password
	Sign in By accessing the Jackson College network you agree
	to the Responsible Use Policy.
	Your username is the first seven letters of your last name, first seven letters of your first name, and your middle initial followed by a domain of @my.jccmi.edu (student) or @jccmi.edu (employee).
	Your default password is the first letter of your first name capitalized, first letter of your last name in lowercase, 2 digits of your day of birth, last 2 digits of your birth year, and the last 4 digits of your employee or student ID number.
	Please contact the JC Solution Center at 517.796.8639 for further assistance.

- 5. Once you've signed into the screen in step 4, all of the Microsoft applications (Word, Excel, PowerPoint, etc.) will be activated with your Jackson College credentials.
  - a. You can verify this by looking in the upper right-hand corner for your JC email address.
