Students will need to maintain an automated payment plan, by meeting all required payment due dates for each semester.

Collection of Payments

The resident agrees that if the College utilizes legal counsel, a collection or other agent to enforce this contract, the resident will pay the collection costs, attorney's fees and court costs in obtaining payment amounts due under this agreement.

Contract Termination

Jackson College may terminate a resident's housing contract and take possession of a student's assigned space at any time for violation of any of the provisions herein or when it is in the interest of the community or college. The student's housing contract will be cancelled if the student's enrollment at Jackson College is terminated through withdrawal from the College, academic suspension, conduct removal, lack of payment, credit removal, or administrative dismissal. If the contract is terminated, the student must vacate housing within the timeline provided by college officials. The student's security deposit will be forfeited unless written permission has been obtained from the Director of Housing or their designee, or the resident has a pending appeal.

Security Deposit

The security deposit for housing at Jackson College is \$300.00 and is due at the time that the student receives a room assignment. The student will not be allowed to move into their assigned space if their deposit is not submitted. The deposit is refundable as long as the student does not incur any additional charges during their stay, does not have any damages to their room, has not incurred further fees, and complies with the guidelines listed for a proper checkout. Financial aid cannot be used to cover the security deposit. Deposits should be paid in full when a student receives confirmation, they have a space. Payments can be made to the cashier located in Bert Walker Hall or over the phone at 517.796.8420.

Payment must be received by the payment dates outlined on their payment plan or the contract will be cancelled, and the space will be reassigned. New residents with unpaid housing charges will not be permitted to move in until full payment has been made or an automated payment plan is in place. Residents may have their housing contract cancelled for failing to make required payments throughout the semester. Returning residents with outstanding payments will have their access revoked until payment has been made and/or have their housing contract cancelled.

Non-payment and/or cancellation of contract: Non-payment does not release the student from the financial obligations of the housing contract.

Payments: Can be made in person to the cashier in Business Services located in Bert Walker Hall or mailed to: Jackson College, ATTN: CASHIER, 2111 Emmons Road, Jackson, MI 49201 (please indicate that payment is for housing and include the student's ID number). Damage to Residence Hall

Should a residence hall be destroyed or damaged sufficiently to prevent the use of the facility, in the event of a public emergency or other unforeseen occurrences beyond the control of the College which result in residents being displaced, the housing contract may be immediately terminated. In this event the resident is responsible for charges up to the date of termination. The College shall not be liable for any expenses, damages or loss which you incur for relocation or inconvenience as a result of such termination. We encourage residents to purchase renter's insurance as a protection for personal belongings.

All individuals coming from Maroon Hall are directed to the fifth full set of parking spaces (second set of lights) in the parking lot south of Gold Hall. Campus View residents are to go across the street and to the third set of lights along the sidewalk. Students must stay in their given areas until the building is given an all-clear to be re-opened and residents allowed to re-enter. Re-entry into a building before an "all-clear" signal is given by Security staff is prohibited. State law prohibits the use of elevators during a fire alarm. Students that fail to comply with this will be documented by staff and can be issued state and/or local fines and tickets from police. If you see fire, please pull the fire alarms as you evacuate the building. The alarm will automatically alert the proper authorities. Falsely pulling a fire alarm can result in judicial sanctions or fines. Michigan law states that falsely pulling a fire alarm is a misdemeanor punishable by up to one year in jail and up to \$1,000.00 fine (MCL 750.240).

Residence Life ID Cards

Each resident is issued a unique housing ID card upon move-in that provides access to their building, suite, and bedroom and is used to access the student's meal plan. It is important that each student always maintains possession of their housing ID card while on college property. Jackson College officials may request to see a residence life ID card at any time. Refusal to provide your residence life ID card to a college official is a violation of the student code of conduct and can result in judicial sanctions.

Unauthorized possession, duplication, or use of keys or your Jackson College residence life ID is prohibited. Residence life ID cards are only to be used by the individual they were issued to. IDs found in the possession of anyone other than the individual they were issued to will be confiscated and the student possessing the ID may face judicial sanctions.

If you lose your key, immediately inform a residence life staff member, or the Desk Assistant at your building's front desk so that your room can be secured and your old key deactivated. Keys needing to be replaced will result in a replacement ID being made and the student will be responsible for associated costs.

Damaged, Stolen, or Lost ID Cards

You are responsible for your Jackson College residence life ID card. If your card is damaged, lost, or stolen, it is your responsibility to contact the residence life office at JCHousing@jccmi.edu or the Desk Assistant immediately. Jackson College is not responsible for any unauthorized transactions, loss of money, or meal plan credits. Lost or damaged ID cards can be replaced by submitting a new key request with the Desk Assistant. There is a fee associated with each replacement card that will be billed directly to your security deposit and student account, except in the case of general wear. Replacement IDs will be available within two business days from the time of the request. Residents will be able to collect their new ID card from their mailboxes located in the Jets Hanger.

ADDITIONAL RESIDENCE LIFE INFORMATION

Community Living

Residential living promotes individual and group responsibility by fostering a positive living and learning environment. The policies of residence life balance the rights of the individual and the rights of the community. While carrying out its educational mission, Jackson College aspires to create and maintain conditions that are fun and educational.

By signing your housing and meal plan contract, you agree to make yourself aware of and abide by all Housing policies and expectations; the Jackson College Student Code of Conduct; and applicable state and federal laws. A copy of the Jackson College Student Code of Conduct may be obtained from Student Services in the Bert Walker building or online at <https://www.jccmi.edu/student-life/student-conduct/>.

Violations are subject to disciplinary action, criminal prosecution, removal from residence life, and/or payment of replacement fees as deemed appropriate. Residents are responsible for the conduct of their guest(s) and may be subject to disciplinary action as a result of misconduct of their guest(s). Students are free to have radios, stereos, televisions, etc. in their rooms, but the amplification should be controlled so that neighbors both inside and outside of the building are not disturbed. Speakers must

This includes but is not limited to: beds, bed rails, wardrobes, drawers, tables, shelves, desks, chairs, kitchen appliances or refrigerators. Student may rearrange or adjust furniture (e.g. bed height) but may not disassemble it.

Suite / Room upon Check-Out

Tiny homes and residence hall suites are to be cleaned and in their original state upon move out. All furniture must be in original location within suite/room and assembled in the same manner as it was prior to the students move-in. A fee may be assessed at the discretion of the Director of Facilities and/or Director of Residence Life based upon the condition and hours required returning the room to its initial move-in state.

Failure to Vacate

Residents are responsible for personal property at all times. When residents have not vacated as scheduled (internal transfers, removals, as well as the end of a contract period) or have not removed personal property, Residence Life staff will make a reasonable attempt to contact the residents via phone, email, and physical mail. Residents who have not vacated as scheduled or at the end of a contract period will be charged the daily rate for each day they remain. If after 48 hours, the resident has not vacated, personal property will be removed and stored expense rate of \$50 + \$5 per day of storage.

Personal property removed by Jackson College Housing staff will be stored for 21 days. After 21 days, the items will be considered abandoned and donated to charity or discarded. Jackson College and Jackson College Residence Life are not liable for damage to or loss of property that might occur during removal or disposal. Residents will be billed for all costs incurred in removing personal property and restoration of the unit to usable space.

JACKSON COLLEGE STUDENT CONDUCT PROCESS

The residence life staff at Jackson College is committed to maintaining a safe and productive learning environment. To accomplish this goal, the department has developed residence life policies that reflect the values and standards of the community, which have been previously listed. Given that our community is comprised of individuals with diverse backgrounds, lifestyles, and beliefs, the established policies and procedures aim to protect the rights of members of the College community, individually and collectively.

The residence life staff strives to provide a living/ learning environment where students can benefit by learning and demonstrating appropriate behavior, and foster an environment where residents and their guests understand that individuals are responsible for their actions and that there are natural consequences to inappropriate behavior. The housing staff will confront issues as they become aware of them. Staff may learn of situations in a variety of ways including, but not limited to: while completing duty rounds, resident reports, desk assistant reports, parent phone calls, social media sites, building cameras and/or, from the other college employees.

Jackson College's philosophy of discipline is one of education. While there are consequences for violations of community standards of behavior, our goal is to help students grow and learn from their mistakes and become active and positive members of our community. Resident assistants, desk assistants, and security staff will contact a professional staff member when situations become escalated or it is apparent that a resident/guest poses a threat to himself or others, when there is a violation of campus or state/federal law or for any other situations where staff deems it necessary.

It is easy for residents to be upset when they are maybe confronted by a staff member. We encourage residents to keep in mind that the staff is just doing their job. Residents are expected to be cooperative, understanding, and patient when confronted.

There are a variety of ways incidents may be managed depending on the type of situation or policy violation. The following is the protocol for managing policy violations within the residence halls; these policies

fall under the Jackson College Student Code of Conduct. Students looking for further information on the Jackson College Student Code of Conduct and processes should refer to: <https://www.jccmi.edu/student-life/student-conduct/>

As resident students, you are required to follow both Jackson College campus policies and housing policies as outlined in this booklet. You are required to read and know all campus policies.

The judicial process is explained in the Student Code of Conduct, Article IV. <https://www.jccmi.edu/student-life/student-conduct/>
