

Characteristics of Clinical Education Center

Form I.B.3.d

A Name and Address of Clinical Affiliate:

Ultrasound Department Phone Number:

B Name of Chief Administrative Officer:

C Department in which the clinical education center is located:

_____ Radiology Dept _____ OB/GYN Dept _____ Cardiology Dept
_____ PEDS Echo Dept _____ Vascular Dept _____ Other (specify) _____

D Name of director of the Department with responsibility for medical diagnostic procedures:

Email Address:

E Name of diagnostic area manager:

F Designated Clinical Instructor(s):

Name	ARDMS Certif. Specialties	ARDMS Number	% of Time Assigned to Educational Responsibilities

G Description of Ultrasound equipment (manufacturer, model, year, and transducers):

Manufacturer	Model	Year	Transducers

H Identify number of examining stations:

I. Estimate number of procedures each student will be expected to participate in during a typical clinical education day:

Abdomen _____ Obstetrics _____ Gynecology _____ Cardiac _____ Vascular _____

J Number of full-time equivalent staff sonographer/technologists assigned to:

Days _____ Evenings _____ Nights _____ Weekends _____

K List all facilities available at the major clinical affiliate:

_____ Emergency/Trauma _____ Surgery _____ Intensive Care Unit
_____ Cardiac Care Unit _____ General Obstetrics _____ High Risk Obstetrics
_____ Neonatal Intensive Care Unit _____ Angiography/Cardiac Catheterization
_____ Other (specify) _____

L. Instructional Accreditation:

Name of Agency	
Term of Current Status:	
Date Awarded:	
M. Authorized Student Capacity:	
N. Is this clinical site shared with another diagnostic medical sonography program?	
yes _____ no _____ If yes, which one(s)? _____	

Statistical Summary of Diagnostic Procedures (for last available preceding 12-month period)	
Period: From _____ To _____ <div style="display: flex; justify-content: space-around; width: 100%;"> month year month year </div>
