Covered services

You **must** receive the following services from a **hearing participating provider**. Hearing care services are **not** covered when performed by nonparticipating providers unless the services are performed outside of Michigan **and** the local Blue Cross and Blue Shield plan does **not** contract with providers for hearing care services. In this case, BCBSM will pay the approved amount for hearing aids and related covered services obtained from a nonparticipating provider. You may be responsible for charges that exceed our approved amount.

Audiometric exam – one every 36 months	100% of approved amount	Not covered
Hearing aid evaluation – one every 36 months	100% of approved amount	Not covered
Ordering and fitting the hearing aid (monaural hearing aid only) – one every 36 months	100% of approved amount	Not covered
Hearing aid conformity test – one every 36 months	100% of approved amount	Not covered

Note: You **must** obtain a medical evaluation (sometimes called a medical clearance exam) of the ear performed by a physician-specialist before you receive your hearing aid. If a physician-specialist is not accessible, your primary care doctor may perform the medical evaluation. **This evaluation is not covered under your hearing care coverage, so you must pay for this exam unless your medical coverage includes coverage for office visits.**

A physician-specialist is a licensed doctor of medicine or osteopathy who is also board certified or in the process of being board certified as an otolaryngologist. A physician-specialist determines whether a patient has a hearing loss and whether such loss can be offset by a hearing aid.

Blue Cross Blue Shield of Michigan is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.
