

Dental Hygiene Associate in Applied Science degree at Jackson College to a Bachelor of Science in Dental Hygiene at University of Detroit Mercy

JC Students who complete an associate degree, complete the courses outlined in the guidesheet with a grade of a “C” or better, and satisfy University of Detroit Mercy’s admissions requirements will be accepted into the articulation agreement.

Under this agreement, University of Detroit Mercy will waive the 60-hour rule and require a minimum of 45 credits to be completed in courses offered by University of Detroit Mercy. This allows students to complete more than 60 credit hours at JC, and have those hours applied toward their bachelor’s degree.

Students with a community college GPA of 2.0 or higher and at least 24 transferable credits completed can be accepted as transfer students to UDM. Students must apply and be admitted to University of Detroit Mercy.

Articulation Effective Dates: October 1, 2019 through October 1, 2024.
