

Walden University

JC students who complete an associate degree, complete the courses outlined in the guide sheet with a grade of a “C” or better, and satisfy Walden University’s admissions requirements will be accepted into the articulation agreement.

Under this agreement, students enrolling at Walden University are eligible to transfer up to 135 quarter credit hours (90 semester credits) toward a bachelor's degree, including up to 90 quarter credits (60 semester credits) from sources approved by accrediting bodies recognized by CHEA or the US Department of Education. These sources include but are not limited to CLEP, DANTES, ACE, and prior learning portfolios -- providing the learning experience meets the standards of the university, is comparable to content offered by the university, and is appropriate and applicable to the university's programs. **A minimum of 45 quarter credits (30 semester credits) must be earned at Walden.**

In the spirit of academic cooperation, and to facilitate the seamless transfer of credit between institutions, this Articulation Agreement is made between Jackson College and Walden University and dated this 30th day of May 2023. Automatically renewed on 30th day of May 2026.

Based on the transfer programs, and stated policies of the university, Walden guarantees transferability of all credits outlined in the following Jackson College (degrees/certificates) to the corresponding Walden University degrees:

Jackson College AAS Nursing to Walden University BS in Nursing
Jackson College AAS Nursing to Walden University BS in Nursing - AIM
Jackson College AAS Nursing to Walden University MS in Nursing – Nurse Practitioner
Jackson College AAS Nursing to Walden University MS in Nursing – Specialty Practice

Because of this agreement to articulate, a ten percent (10%) tuition reduction is available to eligible students, alumni, faculty, and other employees of Jackson College.

****The Family Nurse Practitioner specialization in the MSN program is excluded from this tuition reduction.**

Early Conditional Admission Option: BSN or BSN-AIM

Students currently enrolled in their last term of or completed within the last 6 months an accredited Associate’s Degree of Nursing program may apply for early conditional admission to the BSN, BSN-AIM programs. Students who are admitted conditionally will need to provide and satisfy the following prior to their 2nd term of enrollment:

1. Documented proof of an active registered nurse (RN) license in the United States or its territories.
 2. All other admission requirements for the BSN or BSN-AIM are satisfied prior to their desired start date.
- Until the information is received, a hold will prevent the student from registering for classes beyond the first period of enrollment.
