

Associate in Science (SCIE.AS) degree at Jackson College to a Bachelor of Science in Business Administration with any Business major at Wayne State University.

JC students who complete an associate degree, complete the courses outlined in the guide sheet with a grade of “C” or better, and satisfy WSU’s admissions requirements will be accepted into the articulation agreement.

Under this agreement, WSU will waive the 60-hour rule and require that a minimum of 38 credits be completed in courses offered by WSU. This allows students to complete more than 60 credit hours at JC, and have those hours applied toward their bachelor’s degree.
