

Associate in Science SCIE.AS at Jackson College to Bachelor of Science in Criminal Justice at Wayne State University

The Bachelor of Science in Criminal Justice is available to JC students that earn the Michigan Transfer Agreement (MTA), complete the WSU Criminal Justice Courses, and finish one of the Associate Degree programs listed in the Human Services Pathway with a cumulative GPA of 2.5 or higher.

Under this agreement, WSU will waive the 60-hour rule and require that a minimum of 40 credits be completed in courses offered by WSU. This allows students to complete more than 60 credit hours at JC, and have those hours applied toward their bachelor's degree.

All courses earned with a 2.0 or higher will be included in the transfer credit summary, except duplicated and/or remedial college-level courses.
