

Sports Management Associate in Applied Science degree at Jackson College to a Bachelor of Science in Sports Management at Wayne State University

JC Students who complete an associate degree, complete the courses outlined in the guidesheet with a grade of a “C” or better, and satisfy WSU’s admissions requirements will be accepted into the articulation agreement. This agreement satisfies the MTA

Under this agreement, WSU will waive the 60-hour rule and require that a minimum of 44 credits to be completed in courses offered by WSU. This allows students to complete more than 60 credit hours at JC, and have those hours applied toward their bachelor’s degree.

Students with a community college GPA of 2.5 or higher and at least 24 transferable credits completed can be accepted as transfer students to WSU. Students must apply and be admitted to WSU.
