STUDENT GOVERNMENT ASSOCIATION

A resolution proposing more thorough representation for the student body at Jackson College.

Resolution #1819-01
Author: President Boe W. Bielski & Secretary Curtis Howard

WHEREAS, the Jackson College Student Government Association (JCSGA) represents the students of Jackson College (JC) across all JC campuses;

WHEREAS, the JCSGA seeks to be inclusive of all students and promote equal representation throughout the entire student body;

WHEREAS, the JCSGA vision states: “We… have a vision of fostering a supportive and interactive community amongst our traditional and non-traditional student population, and serving in the best interest of the entire student body;”

WHEREAS, increased student representation fosters inclusiveness amongst students enrolled at JC;

WHEREAS, the JCSGA believes certain demographics of students are underrepresented in regard to student life;

WHEREAS, among the most underrepresented are those students who are dual-enrolled, incarcerated, living in housing, or primarily attending a satellite campus;

THEREFORE, BE IT RESOLVED, we the members of the Jackson College Student Government Association grant additional representation, consisting of: one (1) representative primarily enrolled at Jackson College @ LISD Tech, one (1) representative primarily enrolled at W.J. Maher Campus, one (1) representative primarily enrolled at the LeTarte Center, one (1) representative from the student housing population, one (1) representative from the dual-enrolled population, and one (1) representative from the incarcerated population, totaling six (6) representatives. These representatives shall be elected via application and interview process, consisting of existing JCSGA members and advisor, including a confirmation vote from the General Assembly of the JCSGA. These representatives will be provided voting power in the JCSGA General Assembly meetings and charged with acting in the best interest of the demographic they represent.
THEREFORE, BE IT FURTHER RESOLVED, we suggest that the selected representatives be awarded a $250 scholarship each Fall and Winter semesters of each academic year. Such representatives must maintain good academic standing of a 2.50 GPA or greater.
